SYLVANUS OCHIENG OTIENO

DATA ANALYST

ABOUT ME

I'm an aspiring data analyst with a strong foundation in data cleaning, visualization, and entry-level analysis using Python and Microsoft Excel. I've completed my coursework and am in the process of graduating, with practical experience gained through academic projects and self-driven learning. I'm enthusiastic about turning raw data into meaningful insights and am currently building my skills in Tableau, Power BI, and SQL. I'm seeking an entry-level role where I can contribute to data-driven decision-making while growing my technical and professional skills.
